

**Cheyenne gave birth to a healthy, drug free, 8 lb. 3 oz. baby girl!
Both mom and baby are flourishing and enjoying being reconnected
with family. Cheyenne gave up heroin and other dangerous
medication when she arrived at Bethany House, homeless,
exhausted, and 4 months pregnant. Because of Community Healing
Centers and donors like you, two lives have been saved, along with
\$45,000 in Neonatal Intensive Care.**
