

Victoria Orbe (*she, her, hers*)

Clinical Director of Children's Services

Victoria is a Licensed Master of Social Work and serves as our Clinical Director of Children's Services. She received her MSW and BA in Psychology from the University of Michigan, and is a Kalamazoo Promise Scholar. Victoria has extensive experience delivering mental health and substance abuse services to children, families, and the community at large. Her role as clinical director is to manage our Infant Mental Health Home Visiting program (EIP), Youth Outpatient services, Children's Case Management, SEEDS for Success, and Children's Advocacy Center.

Victoria is passionate about mental health and wellness. She is a strong advocate for diversity, equity, inclusion, and access for all, and is excited to bring her experience to serve Community Healing Centers and the greater Kalamazoo area!
